Serial No.

Letter No 4185-86/E dated 12-12-1946 from the Chief Engineer for Irrigation.

Requests, in the circumstances respited, sanction the fixed pay of Rs 20/- attached to the post of Head Gardener, Chamarajendra Water Works, Thippagondanahalli being revised to a graded one of Rs 25-2-45

The Chief Engineer states that the pay of Rs 20/- was fixed in the year 1932-33 and that the present Head Gardener has been stagnating on the same pay for over two years. With a view to make the post more attractive, the revision of the fixed pay of Rs 20/- to a graded one of Rs 25-2-45 is proposed. The extra cost involved is Rs 17/- and is proposed to be met from the provision of Rs 4100/- made in the R.E. estimate for the Water Works, for "New Proposals".

The A & F Branch may perhaps be consulted in the first instance, as to the different scales of pay prevailing in the Horticultural Dept for Head Gardeners.

As the Head gardener is stagnating on the fixed pay of Rs 20/- p.m. for over ten years and is stated to be independently maintaining the gardens to the entire satisfaction of the Officers and the scales of pay of Head gardeners under the Overseers in this department range from Rs 25/- to Rs 35/- p.m., the proposal of the Chief Engineer is reasonable and may therefore be approved.

Ref 21-46-3

Office of the Chief Engineer for
Irrigation in Mysore,
No. 4185-86/E Dated Bangalore, 11th December 1946.

To

Secretary to Government,
Public Works Department,
Bangalore.

Sir,

Head Gardener attached to Chamaraj Sagar & Water Works, Thippagondanahalli.

I have the honour to state that there is provision for a Head Gardener on a fixed pay of Rs.20/- attached to the Work charged establishment of Chamaraj Sagar and Water Works. This pay was fixed in the year 1932-33 and the present Head Gardener has been stagnating on this pay for over 10 years. It is reported by the Executive Engineer, Water Supply Division that the Head Gardener has to attend to the proper maintenance of a much larger and extensive garden than what was in existence five years back and in addition to keeping the area neat and trim, the Head Gardener has to supervise the work of many coolies engaged in the garden of whom some are paid Rs.20/- which is equal to th pay of the Head Gardener. The Chamaraja Sagar and Water Works has to be maintained as a beauty spot as several distinguished persons often visit the place, and with this in view the present Head Gardener's services were specially got from the Gardens Department, Lalbagh under the recommendation of late Rao Bahadur H.C.Javarayya, Director of - Horticulture. As the present pay of the Head Gardener is too low compared with his duties, and with a view to make the post more - attractive and provide an incentive to turn out good work, the - Executive Engineer has proposed that the pay of the Head Gardener be revised to a progressive scale of Rs.25-2-45.

2. I agree with the proposal of the Executive Engineer and recommend that sanction of Government may kindly be obtained and communicated to revise the pay of the Head Gardener to Rs.25-2-45. The average extra cost on this account which will be Rs.17/- per month is proposed to be met from the provision of Rs.4,100/- sept apart in the A.M.Estimate for "New Proposals".

I have the honour to be,
Sir,
Your most obedient servant,

M Narasimha

GCS/11th. CHIEF ENGINEER FOR IRRIGATION.
